3 Click "Brand"

4 Click "Add Trailer Brand"

5 Click this text field.

Dashboard / Trailer Brand List

Trailer Brand List

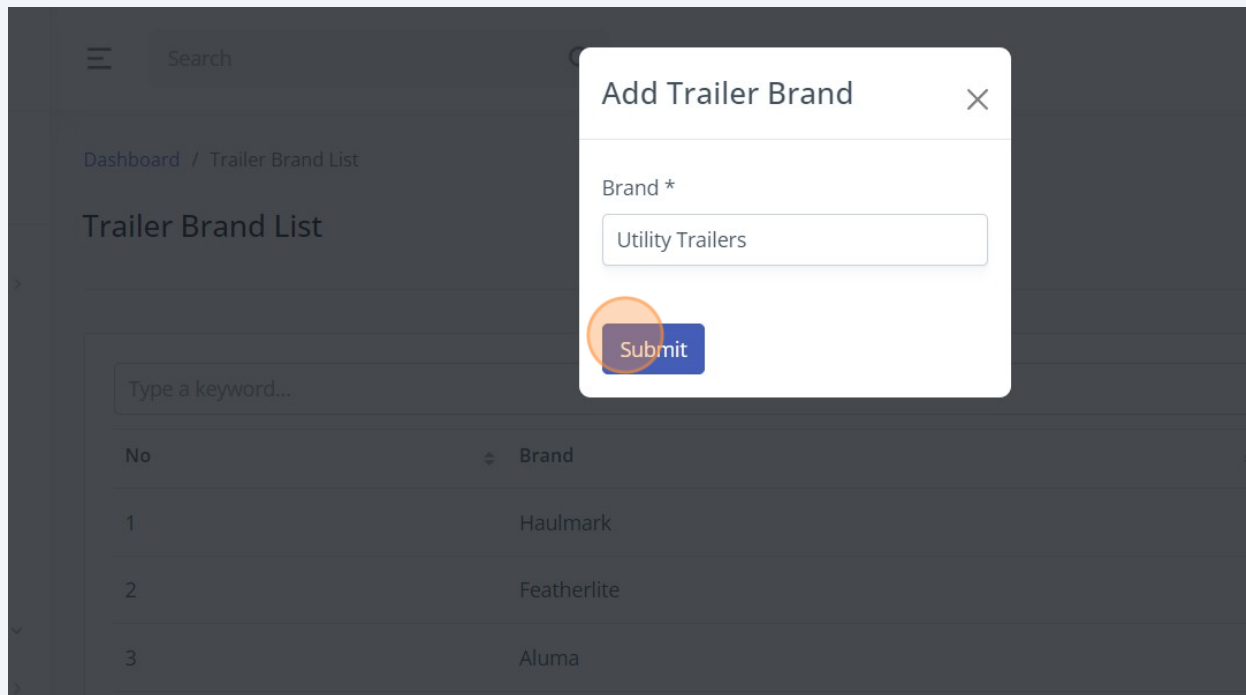

Type a keyword...

No	Brand
1	Haulmark
2	Featherlite
3	Aluma

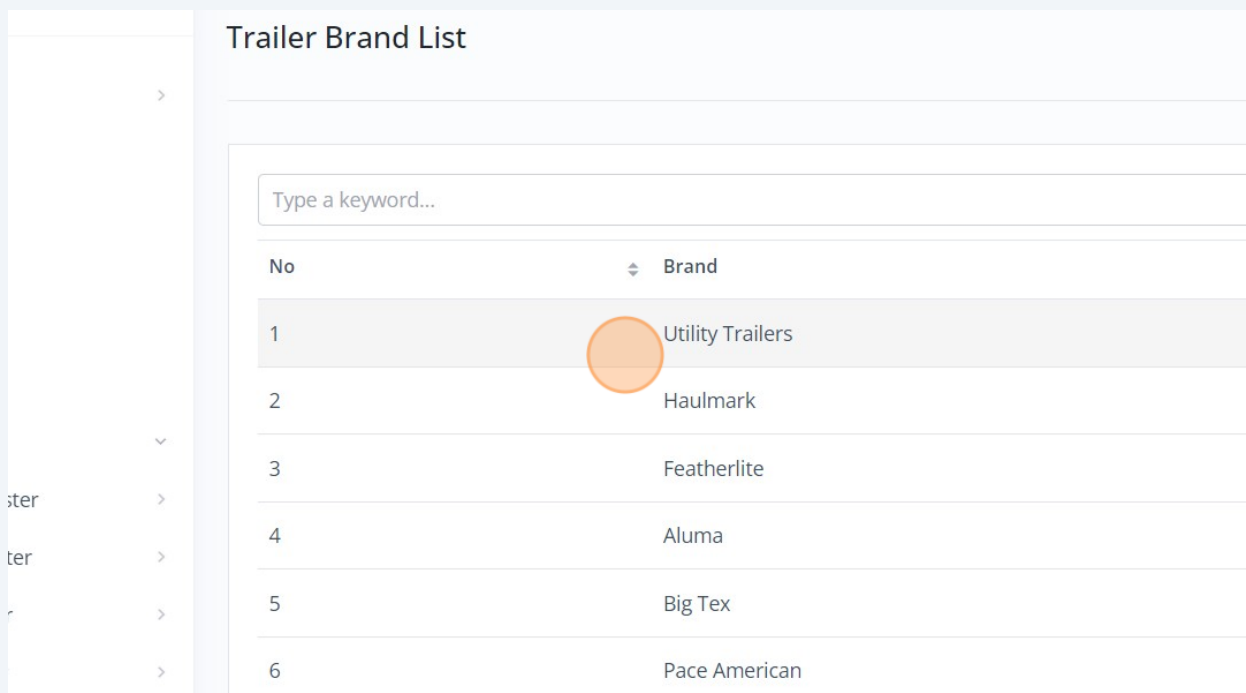

Add a name of a Trailer Brand

6 Type "Utility Trailers"

7 Click "Submit"

8 Click "1"

9 Click "Trailer Master"

The screenshot shows a software interface with a sidebar menu on the left and a table of results on the right. The sidebar menu includes items like Vehicle, Trailer, Tyre, Rim, Battery, and a section titled MASTERS. Under MASTERS, there are items like Vehicle Master, Trailer Master (highlighted with an orange circle), Tyre Master, Rim Master, and Battery Master. The table on the right has a search bar at the top with the text "Type a keyword...". Below the search bar is a table with two columns: "No" and "Brand". The table contains six rows of data, each with a number in the "No" column and a brand name in the "Brand" column. At the bottom of the table, it says "Showing 1 to 6 of 6 results".

No	Brand
1	Utility Trailers
2	Haulmark
3	Featherlite
4	Aluma
5	Big Tex
6	Pace American

Showing 1 to 6 of 6 results

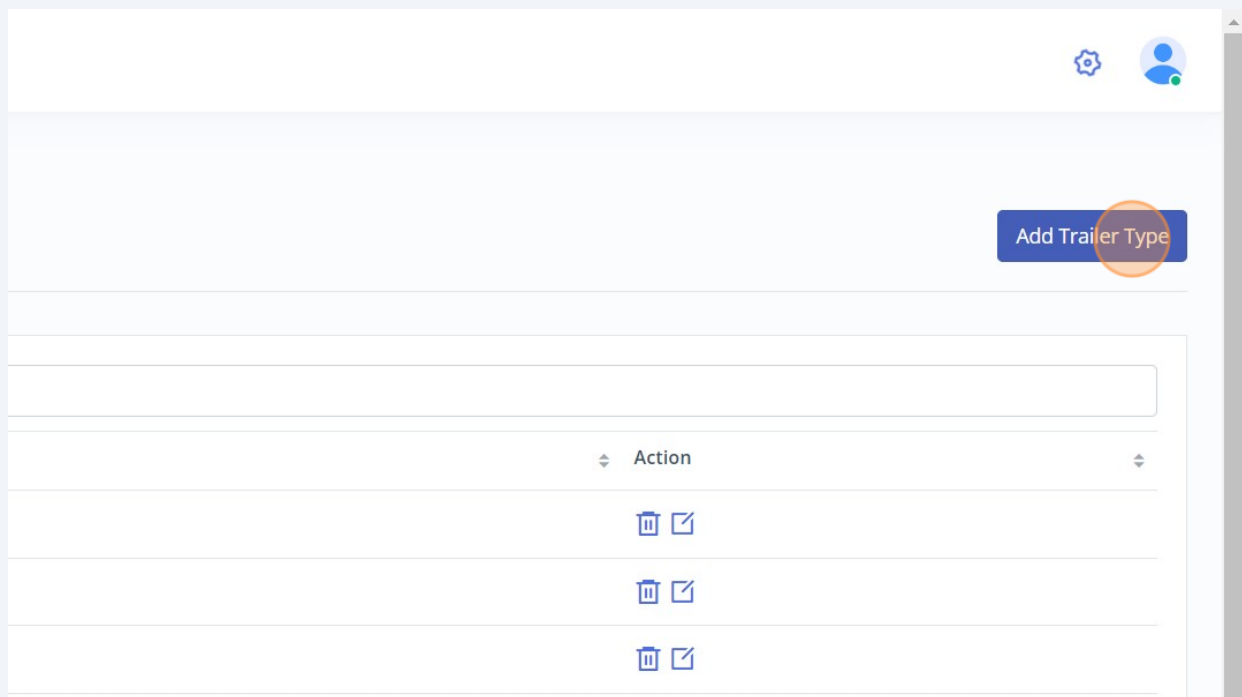

10 Click "Trailer Type"

The screenshot shows a software interface with a sidebar menu on the left and a table of results on the right. The sidebar menu includes items like Vehicle, Trailer, Tyre, Rim, Battery, and a section titled MASTERS. Under MASTERS, there are items like Vehicle Master, Trailer Master, Brand (highlighted with an orange circle), Trailer Type (highlighted with an orange circle), Tyre Master, Rim Master, and Battery Master. The table on the right has a search bar at the top with the text "Type a keyword...". Below the search bar is a table with two columns: "No" and "Brand". The table contains six rows of data, each with a number in the "No" column and a brand name in the "Brand" column. At the bottom of the table, it says "Showing 1 to 6 of 6 results".

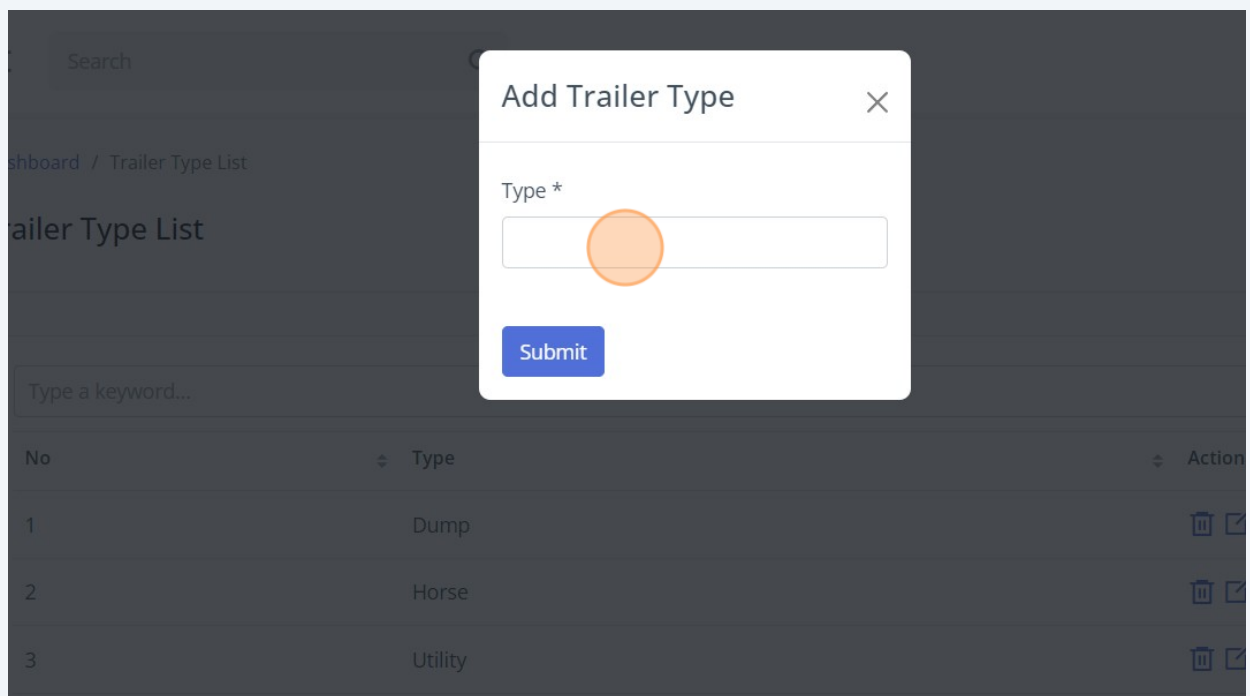

No	Brand
1	Utility Trailers
2	Haulmark
3	Featherlite
4	Aluma
5	Big Tex
6	Pace American

Showing 1 to 6 of 6 results

11 Click "Add Trailer Type"

12 Click this text field.

Add a Trailer type

13 Type "Motorcycle"

14 Click "Submit"

The screenshot displays a web application interface. A modal window titled "Add Trailer Type" is open, featuring a text input field labeled "Type *" containing the text "Motorcycle". Below the input field is a blue "Submit" button, which is highlighted with an orange circle. The background shows a "Trailer Type List" table with the following data:

No	Type
1	Dump
2	Horse
3	Utility

15 Click "1"

3	Horse
4	Utility

17 Click "Add Trailer"

The screenshot shows a web application interface. At the top right, there are icons for settings (gear) and a user profile. Below these, a blue button labeled "Add Trailer" is highlighted with an orange circle. Below the button is a table with the following columns: Model, Year, Payload Capacity, and Location. The table contains four rows of data.

Model	Year	Payload Capacity	Location
OutBack DLX	2020	2300.00	Parking
9652	2019	350.00	Parking
9652	2022	10.00	Parking
812	2020	50.00	Parking

18 Click this dropdown.

The screenshot shows a web application interface for adding a trailer. The breadcrumb "board / Add Trailer" is visible. The form is titled "Add Trailer". It contains several input fields and a dropdown menu. The "Trailer Type" dropdown menu is highlighted with an orange circle. The form fields are arranged in a grid-like structure.

Trailer ID	Trailer Type	Manufacturer
<input type="text"/>	<input type="text" value="Select"/>	<input type="text" value="Select"/>
Model	Year	Length (ft)
<input type="text"/>	<input type="text"/>	<input type="text"/>
Width (ft)	Height (ft)	GVWR (lbs)
<input type="text"/>	<input type="text"/>	<input type="text"/>
Gross Weight (lbs)	Payload Capacity (lbs)	Status
<input type="text"/>	<input type="text"/>	<input type="text"/>

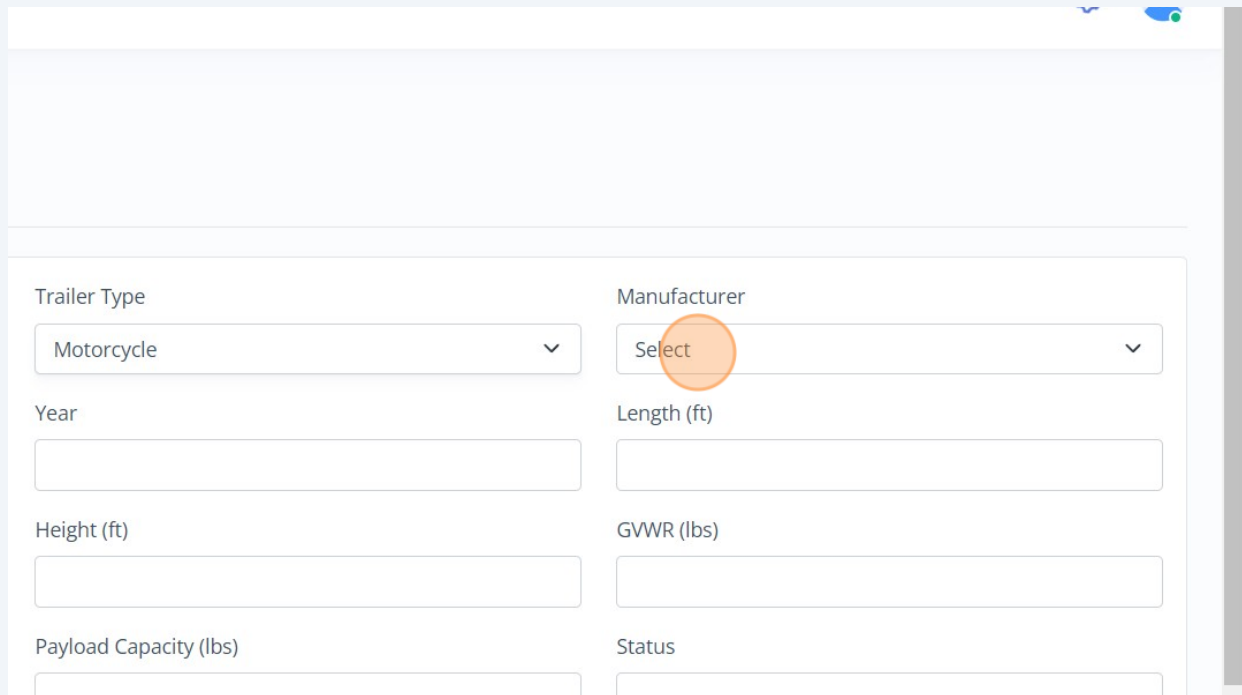

Now the data which was entered under trailer type will be reflected under trailer type

19 Click this dropdown.

	Trailer Type	Manufacturer
	Horse	Select
	Year	Length (ft)
	Height (ft)	GVWR (lbs)
	Payload Capacity (lbs)	Status

20

Click this dropdown.

A screenshot of a web form with a light blue border. The form contains several input fields arranged in two columns. The first column has 'Trailer Type' (a dropdown menu showing 'Motorcycle'), 'Year' (a text input), 'Height (ft)' (a text input), and 'Payload Capacity (lbs)' (a text input). The second column has 'Manufacturer' (a dropdown menu showing 'Select'), 'Length (ft)' (a text input), 'GVWR (lbs)' (a text input), and 'Status' (a text input). An orange circle highlights the 'Select' option in the 'Manufacturer' dropdown menu.

Now the data which was entered in the trailer company there will be reflected under manufacturer
