3 Click "Brand"

4 Click "Add Tyre Brand"

5 Click this text field.

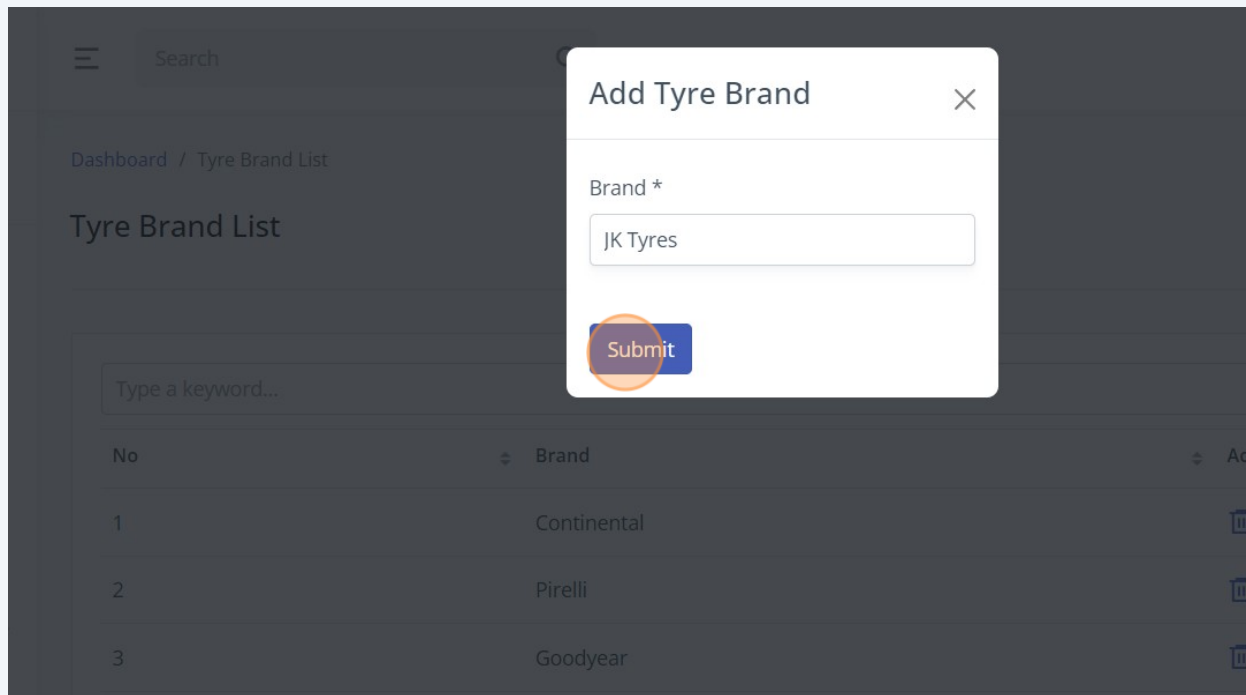

The screenshot shows a web application interface with a dark theme. A modal window titled "Add Tyre Brand" is open, featuring a close button (X) in the top right corner. Inside the modal, there is a label "Brand *" above a text input field. An orange circle highlights the text input field. Below the input field is a blue "Submit" button. In the background, the main page is visible, showing a search bar, a breadcrumb "Dashboard / Tyre Brand List", and a table titled "Tyre Brand List". The table has columns for "No", "Brand", and "Action". It contains three rows of data: 1 Continental, 2 Pirelli, and 3 Goodyear. Each row has icons for delete and edit in the "Action" column.

No	Brand	Action
1	Continental	
2	Pirelli	
3	Goodyear	

6 Type "JK Tyres"

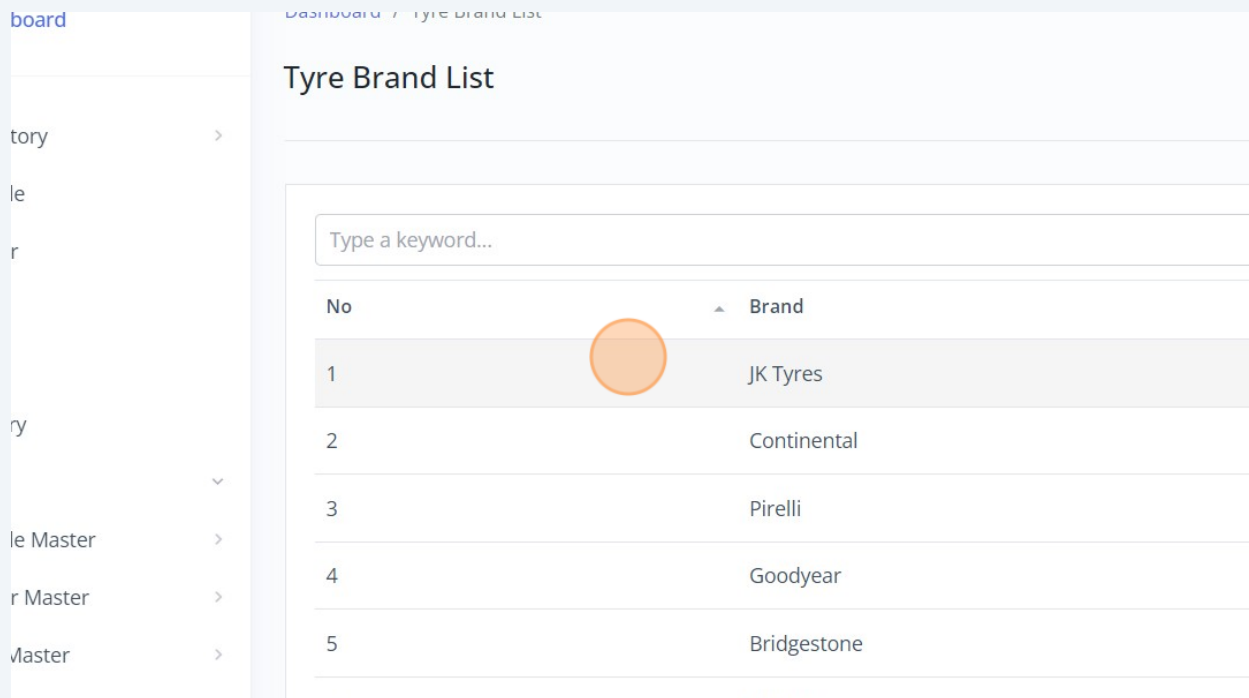

7

Click "Submit"

8

Click "1"

9 Click "Trailer Master"

The screenshot shows a software interface with a sidebar menu on the left and a table of results on the right. The sidebar menu includes items: Vehicle, Trailer, Tyre, Rim, Battery, and a section titled 'MASTERS' with a dropdown arrow. Under 'MASTERS', there are items: Vehicle Master, Trailer Master (highlighted with an orange circle), Tyre Master, Rim Master, and Battery Master. The table on the right displays 6 results, numbered 1 to 6, with corresponding brand names: JK Tyres, Continental, Pirelli, Goodyear, Bridgestone, and Michelin. Below the table, it says 'Showing 1 to 6 of 6 results'.

1	JK Tyres
2	Continental
3	Pirelli
4	Goodyear
5	Bridgestone
6	Michelin

Showing 1 to 6 of 6 results

10 Click "Tyre Master"

The screenshot shows a software interface with a sidebar menu on the left and a table of results on the right. The sidebar menu includes items: Vehicle, Trailer, Tyre, Rim, Battery, and a section titled 'MASTERS' with a dropdown arrow. Under 'MASTERS', there are items: Vehicle Master, Trailer Master, Tyre Master (highlighted with an orange circle), Rim Master, and Battery Master. The table on the right displays 6 results, numbered 1 to 6, with corresponding brand names: JK Tyres, Continental, Pirelli, Goodyear, Bridgestone, and Michelin. Below the table, it says 'Showing 1 to 6 of 6 results'.

1	JK Tyres
2	Continental
3	Pirelli
4	Goodyear
5	Bridgestone
6	Michelin

Showing 1 to 6 of 6 results

11 Click "Service Type"

The screenshot shows a software interface with a sidebar on the left and a main content area on the right. The sidebar contains a list of menu items: "Rim", "Battery", "MASTERS" (with a dropdown arrow), "Vehicle Master" (with a right arrow), "Trailer Master" (with a right arrow), "Tyre Master" (with a right arrow), a sub-menu under "Tyre Master" containing "Brand", "Service Type" (highlighted with an orange circle), "Action Type", and "Inspection FAQ", "Rim Master" (with a right arrow), and "Tyre Master" (with a right arrow). The main content area displays a table with 6 rows and 2 columns. The first column contains numbers 2 through 6, and the second column contains brand names: Continental, Pirelli, Goodyear, Bridgestone, and Michelin. Below the table, it says "Showing 1 to 6 of 6 results". At the bottom of the main content area, there is a copyright notice: "© 2023. TMS. All Rights Reserved."

12 Click "Add Service Type"

The screenshot shows a software interface with a header bar at the top containing a gear icon and a user profile icon. Below the header bar is a large white area with a blue button labeled "Add Service Type" (highlighted with an orange circle). Below the button is a form with a text input field. Below the text input field is a table with 3 rows and 2 columns. The first column is labeled "Action" and contains a trash icon and a checkmark icon for each row.

Action

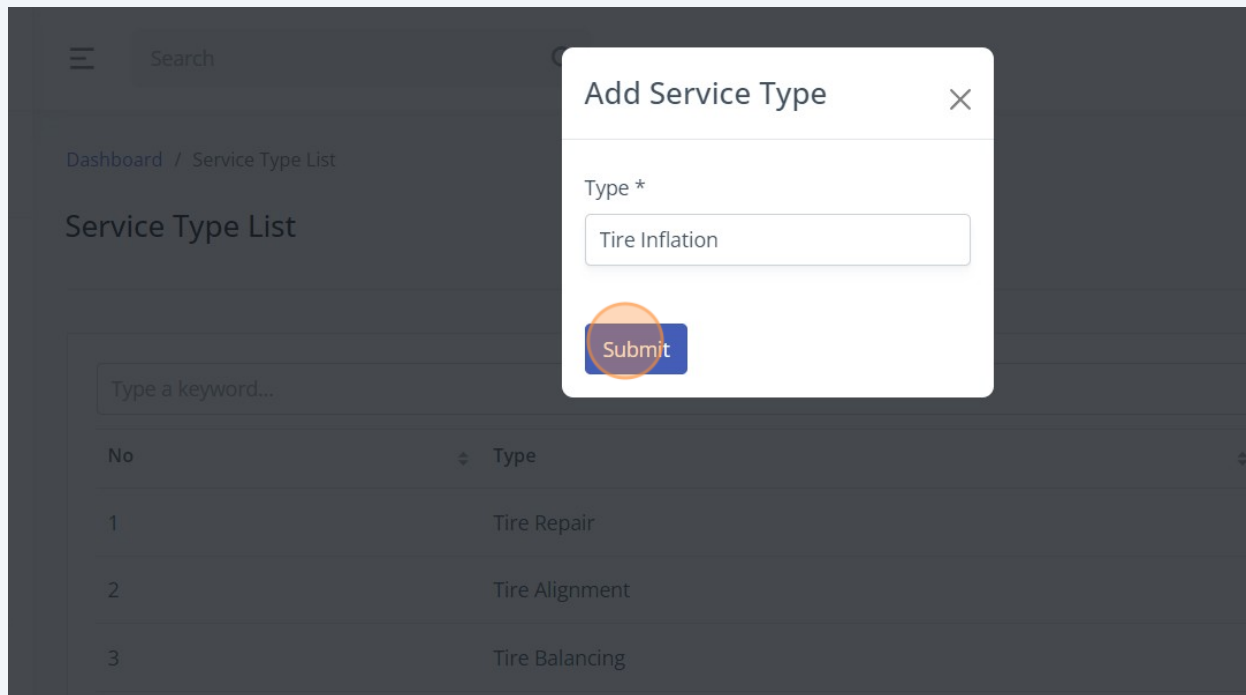

13 Click this text field.

The screenshot shows a web application interface with a dark theme. A modal window titled "Add Service Type" is open, featuring a close button (X) in the top right corner. Inside the modal, there is a text input field labeled "Type *" with an orange circle highlighting the cursor. Below the input field is a blue "Submit" button. The background of the application shows a "Service Type List" page with a search bar and a table containing three rows of data.

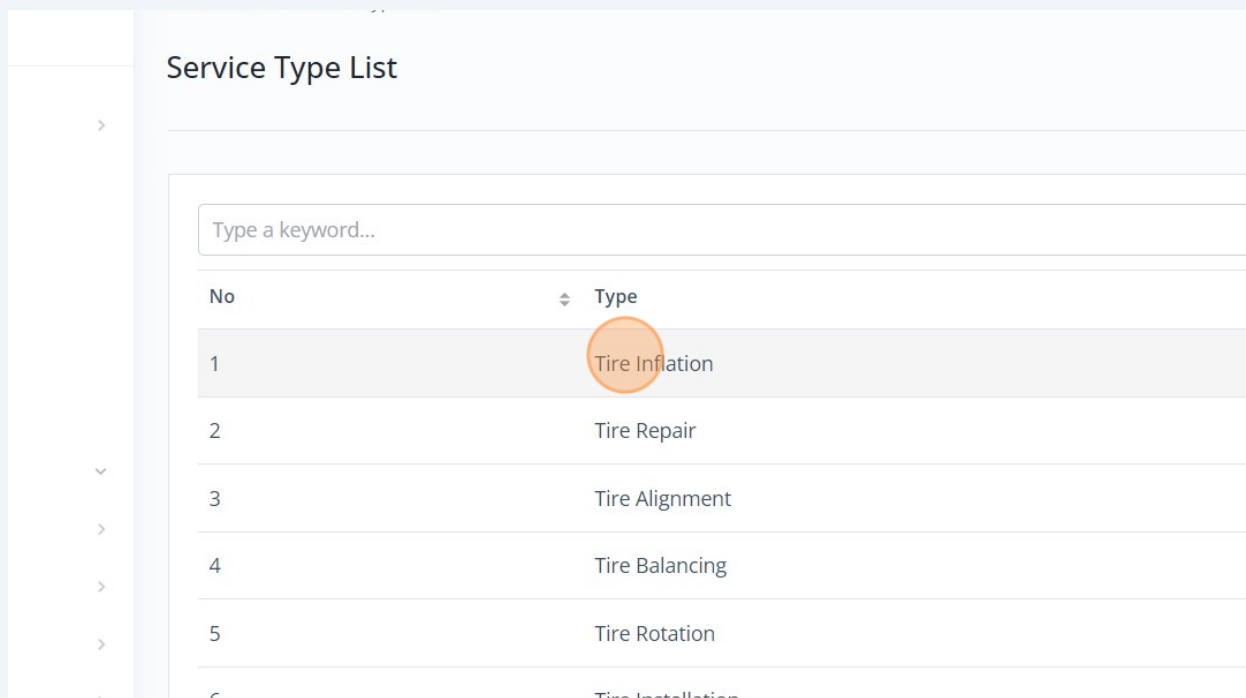

No	Type
1	Tire Repair
2	Tire Alignment
3	Tire Balancing

14 Type "Tire Inflation"

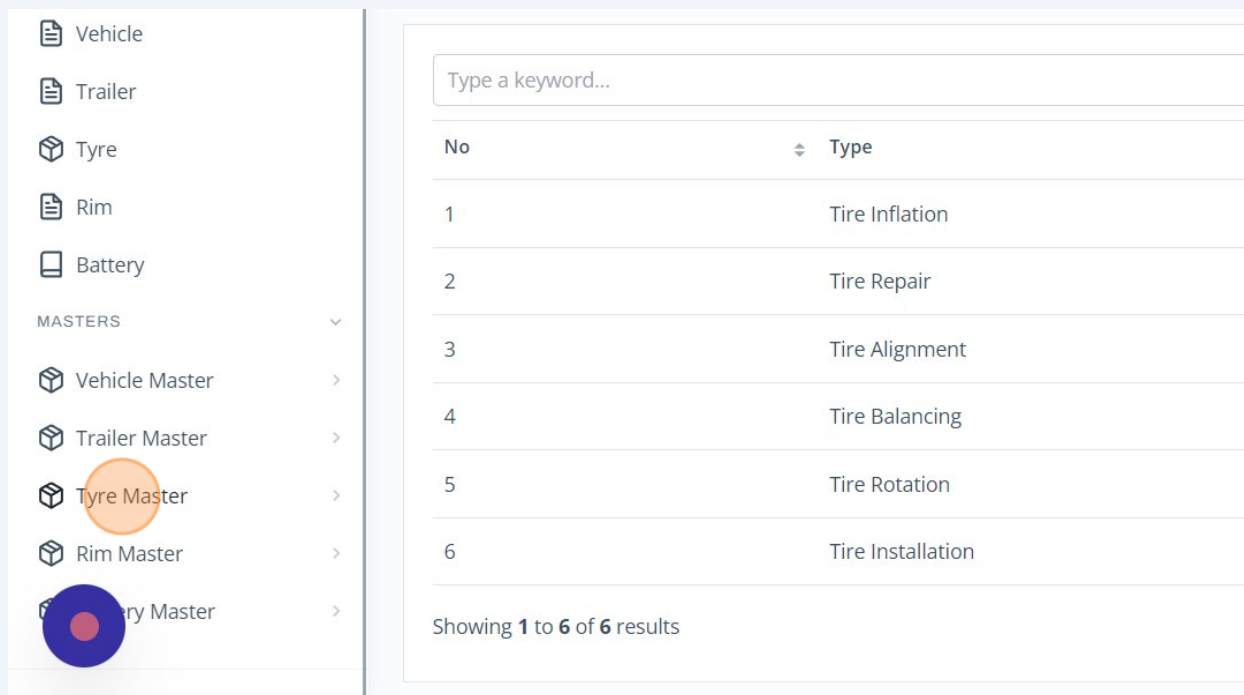

15 Click "Submit"

16 Click "Tire Inflation"

17 Click "Tyre Master"

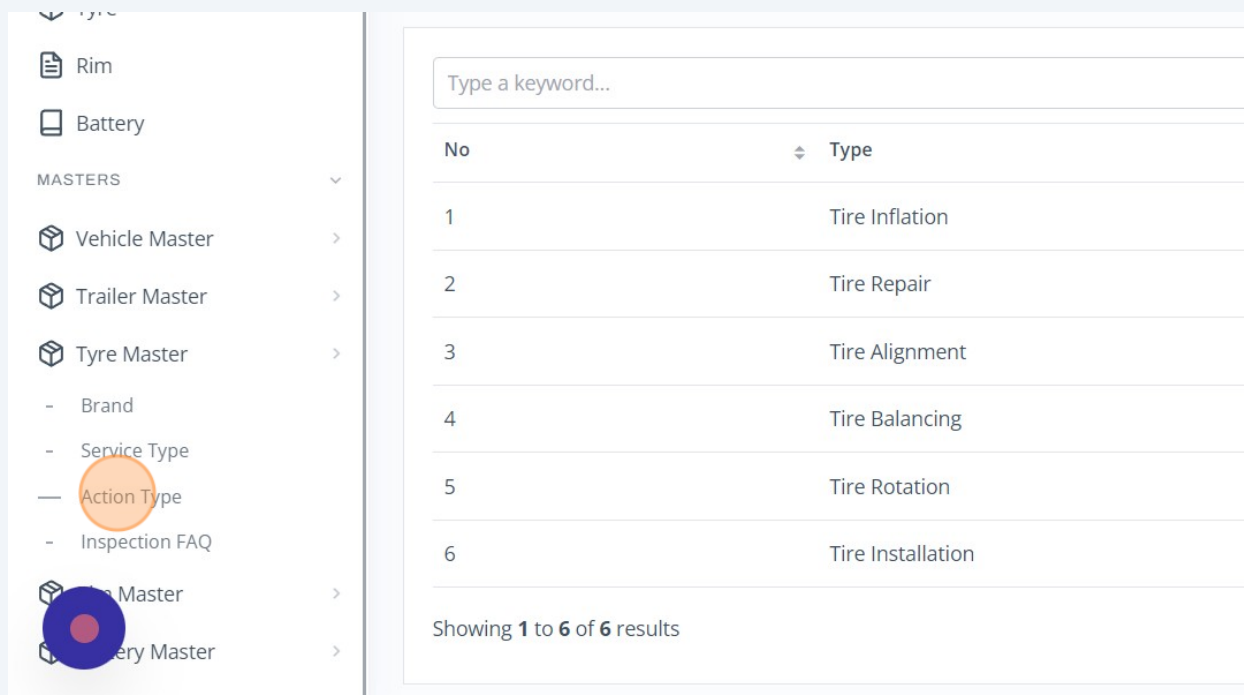

The screenshot shows a software interface with a sidebar menu on the left and a main content area on the right. The sidebar menu includes items like 'Vehicle', 'Trailer', 'Tyre', 'Rim', 'Battery', and a 'MASTERS' section. Under 'MASTERS', there are 'Vehicle Master', 'Trailer Master', 'Tyre Master' (highlighted with an orange circle), 'Rim Master', and 'Battery Master'. The main content area has a search bar with the placeholder text 'Type a keyword...'. Below the search bar is a table with 6 rows of data. The table has two columns: 'No' and 'Type'. The data rows are:

No	Type
1	Tire Inflation
2	Tire Repair
3	Tire Alignment
4	Tire Balancing
5	Tire Rotation
6	Tire Installation

Below the table, it says 'Showing 1 to 6 of 6 results'.

18 Click "Action Type"

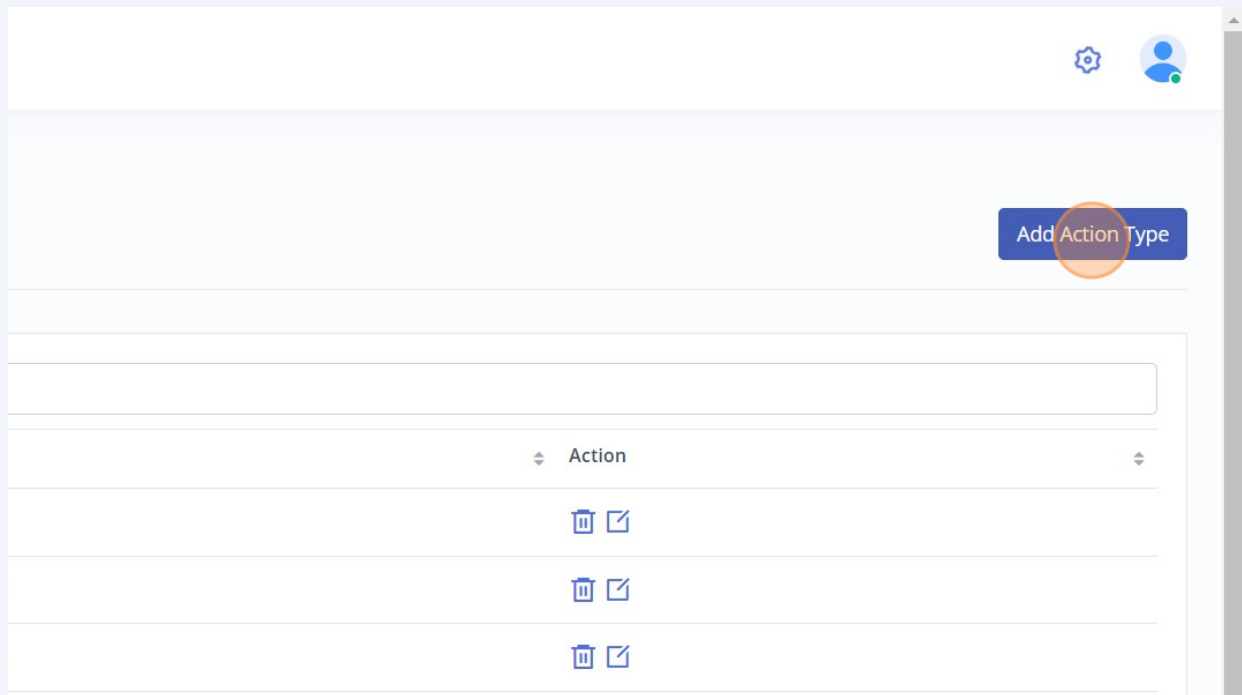

The screenshot shows a software interface with a sidebar menu on the left and a main content area on the right. The sidebar menu includes items like 'Rim', 'Battery', and a 'MASTERS' section.
