

Importing Rims in TMS

1 Navigate to <https://tms.megamarket.ltd/>

2 Click "Rim"

3 Click "Import Rim"

A screenshot of a web application interface. In the top right corner, there is a blue button labeled "Import Rim" which is circled in orange. To the left of this button, there is a blue button partially visible with the text "ms". Below these buttons, there is a table with several columns. The visible columns are "Pattern", "Wheel Offset", "Center Bore", "Spoke Design", "Color/Finish", and "Rim Condition". The values in the rows are "+45", "20.00", "Split-Spoke", and "Gunmetal".

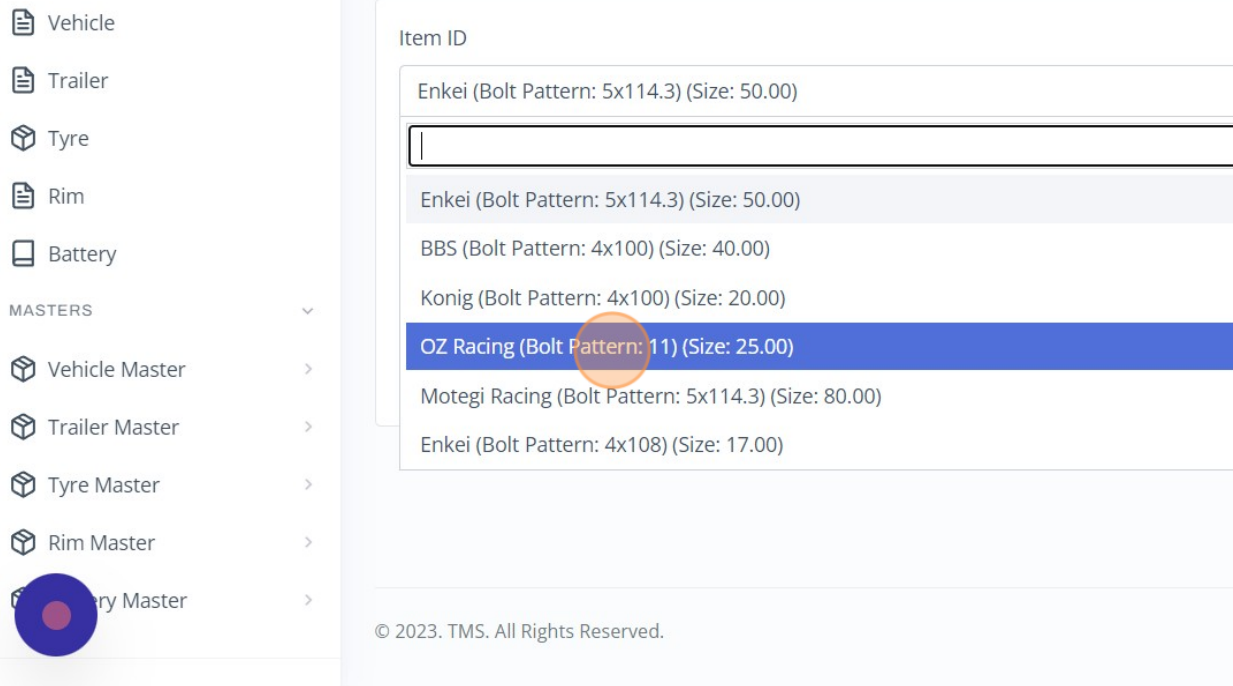

Pattern	Wheel Offset	Center Bore	Spoke Design	Color/Finish	Rim Condition
	+45	20.00	Split-Spoke	Gunmetal	

4 Click "Enkei (Bolt Pattern: 5x114.3) (Size: 50.00)"

A screenshot of a web application interface showing the "Import Rim" form. On the left, there is a sidebar menu with the following items: "Dashboard", "Inventory", "Vehicle", "Trailer", "Tyre", "Rim", "Battery", "MASTERS", "Vehicle Master", and "Trailer Master". The main content area is titled "Import Rim" and contains the following fields:

- Item ID:** A text input field containing the text "Enkei (Bolt Pattern: 5x114.3) (Size: 50.00)". This text is circled in orange.
- Notes/Comments:** A text area for additional information.
- Submit:** A blue button to submit the form.

5 Click "OZ Racing (Bolt Pattern: 11) (Size: 25.00)"

12 Click "Move Rim"

The screenshot shows a web application interface. At the top right, there are icons for settings (a gear) and a user profile. Below these, a blue button labeled "Move Rim" is highlighted with an orange circle. The main content area contains three white cards: "Bolt Pattern" with a value of "11", "Offset" with a value of "+38", and a partially visible card on the left with the text "ction required".

13 Click this date field.

The screenshot shows a web application interface with a "Move Rim" modal form open. The modal form has a title "Move Rim" and a "Date *" field with a placeholder "dd-mm-yyyy" and a calendar icon, which is highlighted by an orange circle. Below the date field is a "Move Rim *" dropdown menu with "In Service" selected. To the right of the dropdown is an "Attachment" section with "Choose File" and "No file chosen" buttons. Below these is a "Remark" text area. At the bottom of the modal is a blue "Submit" button. The background shows a sidebar with "Dashboard / Rim Details", "Rim Details", "Brand OZ Racing", and "Status In Store".

14 Type "1222020"

15 Click this dropdown.

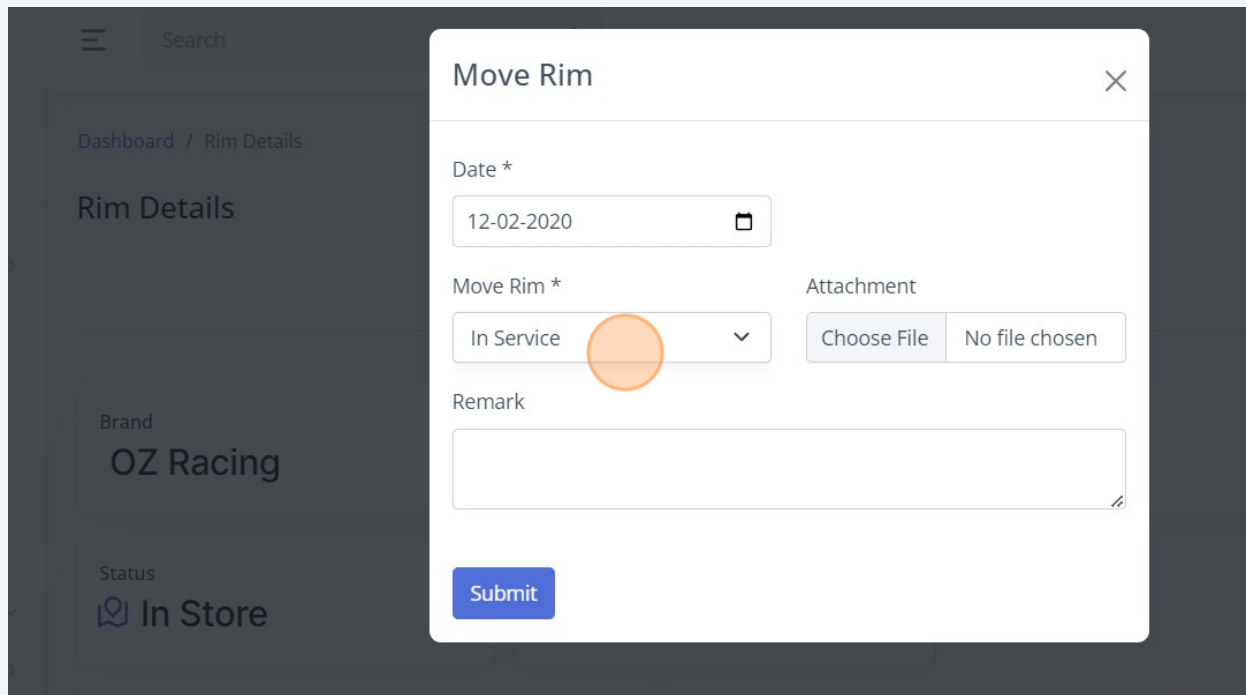

The screenshot shows a web application interface with a sidebar on the left and a main content area. The sidebar contains a search bar, a breadcrumb 'Dashboard / Rim Details', and a section titled 'Rim Details' with the following information:

- Brand: OZ Racing
- Status: In Store

The main content area displays a 'Move Rim' form. The form has a title bar with a close button (X). The form fields are:

- Date *: 12-02-2020 (with a calendar icon)
- Move Rim *: In Service (with a dropdown arrow and an orange circle highlighting the dropdown)
- Attachment: Choose File (button) and No file chosen (text)
- Remark: (empty text area)
- Submit: (blue button)

16 Click this dropdown.

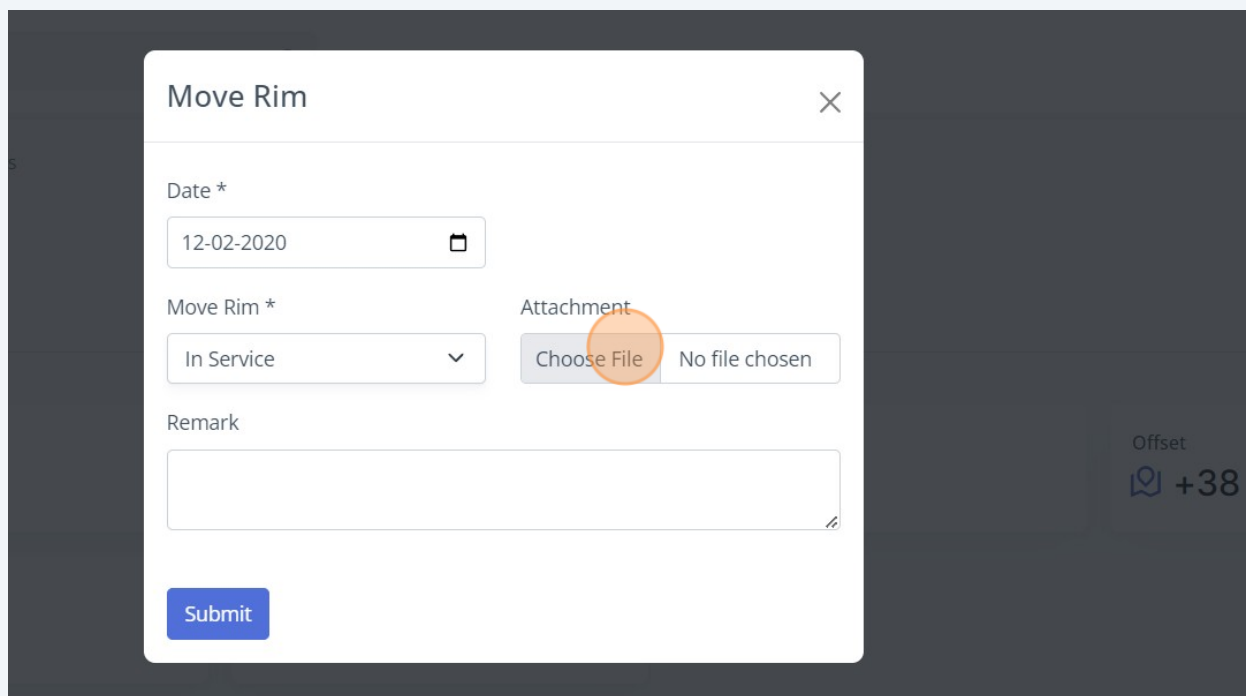

The screenshot shows a 'Move Rim' modal form. The form contains the following fields and elements:

- Date ***: A date input field with the value '12-02-2020' and a calendar icon.
- Move Rim ***: A dropdown menu currently showing 'In Service'. An orange circle highlights this dropdown.
- Attachment**: A section with a 'Choose File' button and the text 'No file chosen'.
- Remark**: A large text area for entering remarks.
- Submit**: A blue button at the bottom left of the modal.

In the background, a sidebar is visible with the following information:

- Dashboard / Rim Details
- Rim Details
- Brand: OZ Racing
- Status: In Store

17 Click this file field.

This screenshot is a closer view of the 'Move Rim' modal form. The 'Choose File' button under the 'Attachment' section is highlighted with an orange circle. The form fields are the same as in the previous screenshot.

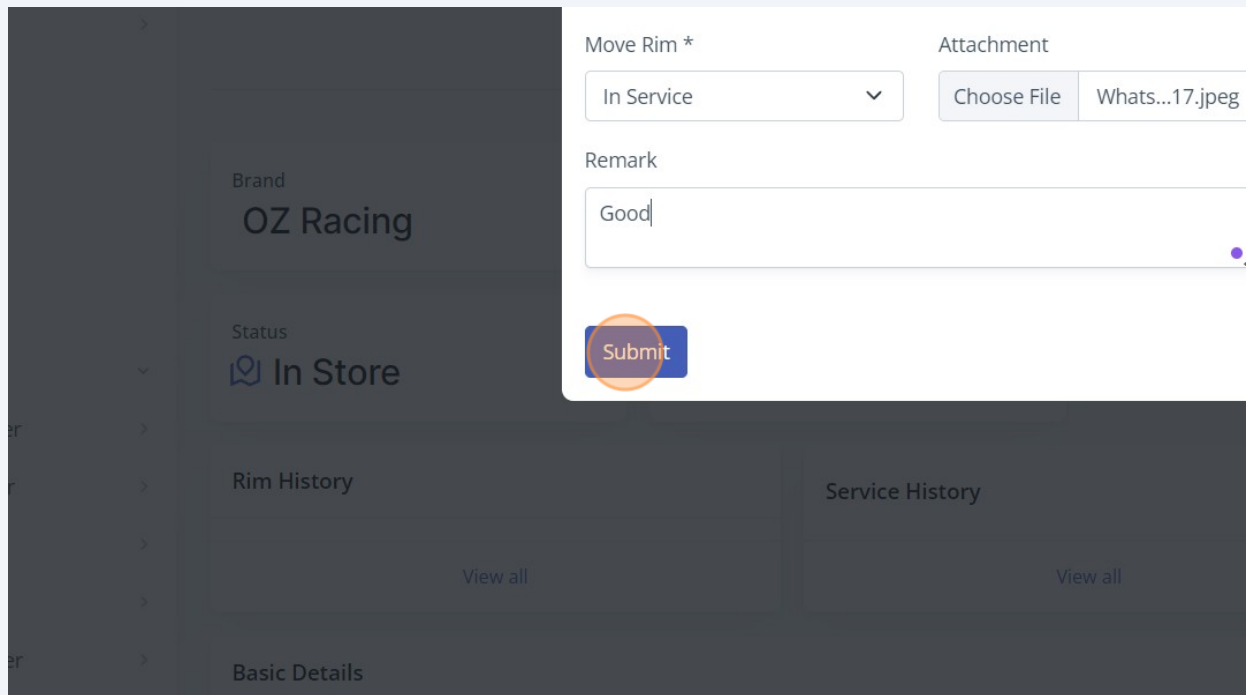

In the background, the 'Offset' field is visible with a value of '+38'.

18 Click this field.

The screenshot shows a web application interface for 'Rim Details'. On the left is a dark sidebar with navigation links: 'Dashboard / Rim Details', 'Rim Details', 'Brand' (with 'OZ Racing' selected), 'Status' (with 'In Store' selected), 'Rim History', and 'Service History'. The main content area is a light gray form. It contains the following fields: 'Date *' with a date picker showing '12-02-2020'; 'Move Rim *' with a dropdown menu showing 'In Service'; 'Attachment' with a 'Choose File' button and a file name 'Whats...17.jpeg'; and 'Remark' with a text input field. An orange circle is placed over the 'Remark' text input field. At the bottom of the form is a blue 'Submit' button. Below the form, there are two sections: 'Rim History' and 'Service History', with an 'Add' button in the bottom right corner.
