5 Click this date field.

The screenshot shows a web application interface. On the left, there is a sidebar with a search bar and a menu icon. The main content area is divided into sections: 'Brand' (BBS), 'Status' (In Store), 'Rim History', and 'Basic Details'. A modal window titled 'Inspection Report for (Rim: TR001)' is open on the right. The 'Date' field in this modal is highlighted with an orange circle. Below the date field, there are four questions, each with a 'Yes' button:

- Why is rim inspection important?
- How often should I inspect my rims?
- What should I look for during a rim inspection?
- Can I visually inspect rims for hidden damage?

The screenshot shows a dark-themed sidebar on the left with the 'In Store' logo at the top. Below the logo are sections for 'Rim History' and 'Basic Details'. The 'Basic Details' section is expanded, showing fields for 'Rim ID' (14254), 'Size' (40.00), and 'Material' (Steel). To the right of the sidebar is a light-colored form area. The form contains several input fields with the following text: 'Yes', 'How often should I inspect my rims?', 'No', 'What should I look for during a rim inspection?', 'No', 'Can I visually inspect rims for hidden damage?', 'Yes', 'What tools do I need for rim inspection?', 'Yes'. At the bottom of the form, there are two sections: 'Action' with a dropdown menu showing 'Installation' (highlighted with an orange circle), and 'Attachment' with buttons for 'Choose Files' and 'No file chosen'.

12 Click this dropdown.

The screenshot shows the same 'In Store' interface as in the previous image. The sidebar on the left is identical. The form area on the right has the following text in its input fields: 'No', 'What should I look for during a rim inspection?', 'No', 'Can I visually inspect rims for hidden damage?', 'Yes', 'What tools do I need for rim inspection?', 'Yes'. At the bottom, the 'Action' dropdown menu is still showing 'Installation' (highlighted with an orange circle). Below the 'Action' and 'Attachment' sections, there is a blue 'Submit' button.

13 Click this file field.

The screenshot shows a form with several text input fields and a submit button. The inputs are: "No", "What should I look for during a rim inspection?", "No", "Can I visually inspect rims for hidden damage?", "Yes", "What tools do I need for rim inspection?", "Yes", "Action" (with "Inflation" selected), and "Attachment" (with "Choose Files" highlighted by an orange circle and "No file chosen" next to it). A blue "Submit" button is at the bottom left. The background is a dark sidebar with "View all" and "Inspection History" visible.

14 Click "Submit"
