11 Click "Add Vehicle Type"

The screenshot shows a web application interface. In the top right corner, there are icons for settings (a gear) and a user profile. Below these, there is a blue button labeled "Add Vehicle Type" which is highlighted with an orange circle. Below the button is a table with a header row containing a search bar and a column header "Action". The table has three data rows, each containing a trash can icon and a checkmark icon.

	Action

12 Click this text field.

The screenshot shows a modal form titled "Add Vehicle Type" with a close button (X) in the top right corner. Inside the modal, there is a text field labeled "Type *" which is highlighted with an orange circle. Below the text field is a blue "Submit" button. The background of the modal shows a table with vehicle types and action icons.

Type	Action
Pickup Truck	
Coupe	
Sedan	

Fill in any vehicle type i.e sedan,suv,muv

13 Type "Sports car"

14 Click "Submit"

The screenshot displays a web application interface. A modal window titled "Add Vehicle Type" is open, featuring a text input field labeled "Type *" containing the text "Sports car". Below the input field is a blue "Submit" button, which is highlighted by an orange circle. The background shows a "Vehicle Type List" table with the following data:

No	Type	Action
1	Pickup Truck	
2	Coupe	
3	Sedan	

15 Click "Vehicle Master"

The screenshot shows a software interface with a sidebar menu on the left and a table of vehicle types on the right. The sidebar menu includes items like Vehicle, Trailer, Tyre, Rim, Battery, and a section titled MASTERS. Under MASTERS, there are items for Vehicle Master, Trailer Master, Tyre Master, Rim Master, and Battery Master. The Vehicle Master item is highlighted with an orange circle. The table on the right has a search bar at the top with the placeholder text "Type a keyword...". Below the search bar is a table with two columns: "No" and "Type". The table contains seven rows of data, numbered 1 to 7. The "Type" column lists various vehicle types: Sports car, Pickup Truck, Coupe, Sedan, Hatch back, MUV, and SUV. At the bottom of the table, it says "Showing 1 to 7 of 7 results".

No	Type
1	Sports car
2	Pickup Truck
3	Coupe

2	Insurance Certificate
3	Vehicle Registration

Now go to VEHICLE

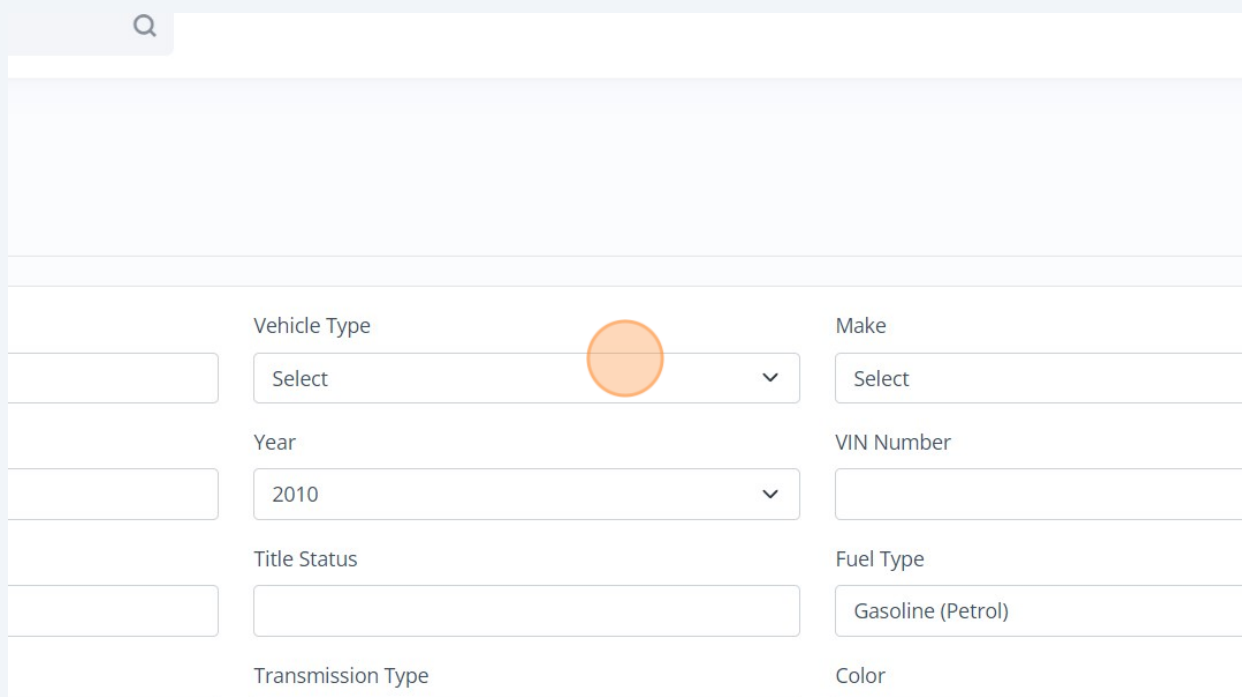

23 Click "Add Vehicle"

A screenshot of a web application interface for vehicle management. In the top right corner, there are icons for settings (a gear) and a user profile. Below these, a blue button labeled "Add Vehicle" is highlighted with an orange circle. Below the button is a table with columns: "Vehicle Type", "Year", "Registration Number", and "VIN Number". The table contains four rows of data. Above the table is a search bar.

	Vehicle Type	Year	Registration Number	VIN Number
	Sedan	2020	CVB-124	4D8683758327545
act C-Class Coupe	Coupe	2018	JKL-123	4S4BT13579A246802
ado	Pickup Truck	2021	GHI-789	1GCEK54321A123456
5 Series	Sedan	2018	GTE-598	1BMCM82633B543216

24 Click this dropdown.

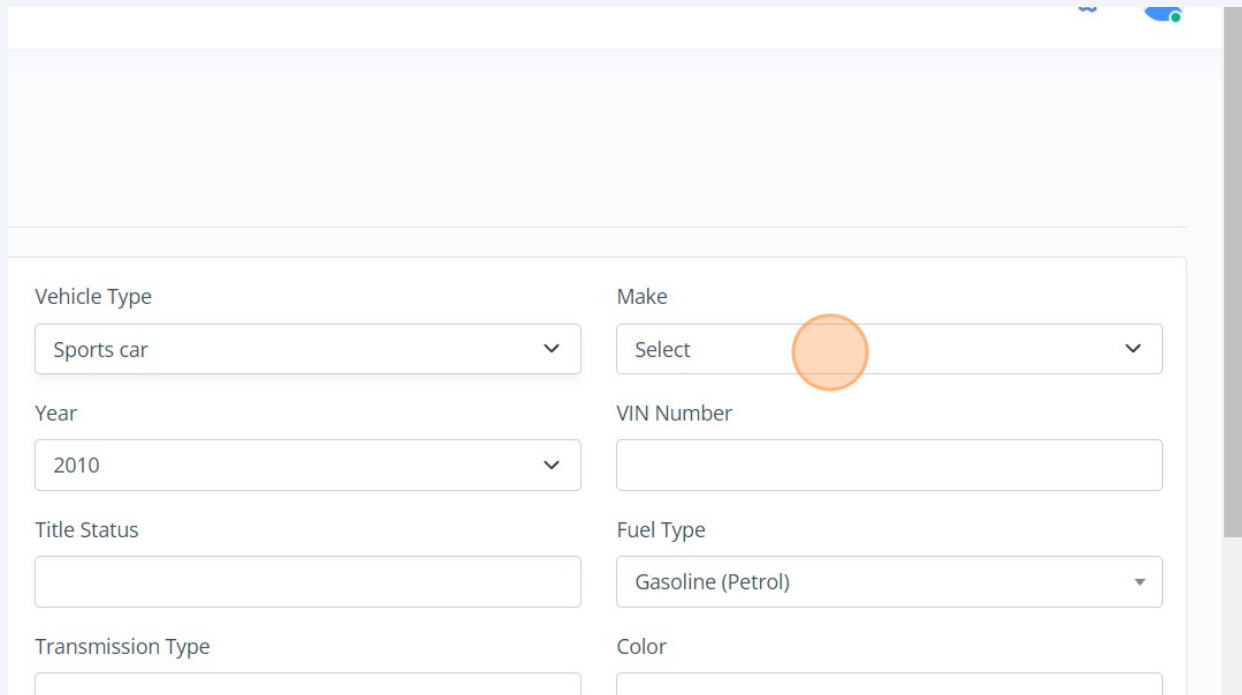

A screenshot of a web application interface for adding a vehicle. At the top, there is a search bar with a magnifying glass icon. Below the search bar is a form with several fields. The "Vehicle Type" field is a dropdown menu with "Select" as the current value; it is highlighted with an orange circle. Other fields include "Make" (dropdown with "Select"), "Year" (dropdown with "2010"), "VIN Number" (text input), "Title Status" (text input), "Fuel Type" (dropdown with "Gasoline (Petrol)"), "Transmission Type" (text input), and "Color" (text input).

	Vehicle Type	Make
	Select	Select
	Year	VIN Number
	2010	
	Title Status	Fuel Type
		Gasoline (Petrol)
	Transmission Type	Color

When selected the vehicle type dropdown you can see 'sports car' with many other types there

25 Click this dropdown.

The screenshot shows a web form for vehicle information. The form is divided into two columns. The left column contains: 'Vehicle Type' (dropdown menu showing 'Sports car'), 'Year' (dropdown menu showing '2010'), 'Title Status' (text input field), and 'Transmission Type' (text input field). The right column contains: 'Make' (dropdown menu showing 'Select', highlighted with an orange circle), 'VIN Number' (text input field), 'Fuel Type' (dropdown menu showing 'Gasoline (Petrol)'), and 'Color' (text input field). The form is set against a light blue background with a white border.

When selected the Make dropdown we can see the car companies
